

33rd Conference of The European Colloid and Interface Society

2019 • ECIS

Leuven 8-13 September 2019

It is our great pleasure to invite you to attend ECIS 2019, the 33rd Conference of the European Colloid and Interface Society (ECIS), from 8-13 September 2019, in Leuven (Belgium).

Topics:

- Colloidal gels, network structures & rheology
- Colloids in medicine, controlled release
- Colloidal stability & shelf life
- Design & production
- Self-assembly, supramolecular systems
- Surfactants & polymers
- Emulsions, Pickering emulsions & foams
- Microdroplets, microbubbles & microfluidics
- Surface forces & thin liquid films
- Catalysis & surface reactions
- Wetting & superhydrophobicity
- Biological & biologically inspired systems
- Imaging, scattering & other experimental techniques
- Theory & simulation
- ... and more

Two training courses:

- The ECIS Training Course "Microfluidics and Surface Rheology"
6–7 September
- The European School on Rheology
2–6 September
